

RADNOR HISTORICAL SOCIETY

Please Join Us!

THE FINLEY HOUSE
RHS HEADQUARTERS

Sketch by George Smith

The Radnor Historical Society invites interested persons to become members and to share in the work of historic research and preservation. Members receive special privileges, including invitations to events, copies of the Annual Bulletin of the Society, notices of happenings of historic interest in the area and they can also apply for our prestigious historic building plaques.

To join or renew, complete the center form and mail with your check. Please also consider donating a Gift Membership to a friend or relative by using the special form on the far right. We will send them special introductory information about the Society and its mission.

Radnor Historical Society, a non-profit educational institution, was incorporated in 1948. It is headquartered in the Finley House, the family home of Dorothy Finley, who donated the property to the Society shortly before her death in 1964. The house is open to the community 2-4pm on Tuesdays and Saturdays (except holidays).
